7th EMAK Workshop

*Global Perspectives on Improving Energy
Management through ESCO Programs*

Red Hall
ENES2015 International Forum
19th of November, 2015

A light blue world map is centered on the slide, showing the outlines of continents and countries. The map is overlaid on a grid pattern.

What are the key actions that countries can take to improve the effectiveness of energy efficiency ESCO policies?

Which of these are particularly beneficial in the Russian context?
